

# Have you recruited a Trainee lawyer for 2018?

## Traineeship Workshops

Join the firms and organisations choosing to send their Trainees to Leo Cussen's Traineeship Workshops.

Your Trainees will experience the benefits of face to face workshop style training, delivered by prominent Victorian lawyers who will guide them along the path to excellence.

We treat your Trainees as individuals and work with them to draw out their individual strengths and skills.

Our program offers competitively priced training and assessment in small interactive workshops. Workshops are specifically tailored to provide the finest training in practical legal skills to equip Victorian Trainees for practice. Depending on your needs, you can send your Trainees for as many or as few topics as you require.

All assessment is conducted during workshops and comprehensive resource materials are provided. At Leo Cussen, we have multiple date options available for workshops throughout the year and catering is also provided.
