

# PROFESSIONAL PLACEMENT GUIDELINES

## VIC, NSW/ACT

### 1. PURPOSE OF GUIDELINES

These *Professional Placement Guidelines* set out the respective roles, rights and responsibilities of all parties involved in the Professional Placement (the “**Placement**”) component of the VIC and NSW/ACT Leo Cussen Practical Legal Training courses (“**PLT**”).

Those parties are:

- a) the Trainee;
- b) the Placement Supervisor; and
- c) Leo Cussen Centre for Law (“**Leo Cussen**”).

### 2. OVERVIEW OF PROFESSIONAL PLACEMENT

All Leo Cussen Trainees are required to carry out a period of supervised work experience as a component of the PLT. Placements carried out under the VIC and NSW/ACT PLT are 15 days (105 hours) in length. Trainees must successfully complete the Placement in order to complete the PLT and to be eligible to apply for admission to the legal profession.

The purpose of the Placement is to provide the Trainee with an opportunity to:

- a) apply, test and reflect on what has been learned during the PLT in a practical, ‘real-world’ environment;
- b) receive experienced supervision by a qualified member of the legal profession in the execution of legal or law-related work;
- c) interact with various stakeholders including lawyers, government officers, clients and other staff;
- d) develop an understanding of the nature of legal practice, and the Trainee’s aptitude for engaging in it;
- e) acquire a basic understanding of what a legal practitioner does in the course of legal practice; and
- f) critically reflect upon their experience during the Placement, and consider how that experience will influence the Trainee’s future actions.

### 3. THE PLACEMENT SUPERVISOR: Roles, Rights & Responsibilities

#### PRIOR TO PLACEMENT COMMENCEMENT

- a) Supervisors must provide the Trainee with a short introduction on their first day. This includes information about the office systems and work hours.
- b) Supervisors must ensure that the Trainee will carry out at least **two** days (or four half-days) of work experience per week during the Placement period.
- c) Supervisors must discuss mutual expectations for the Placement with the Trainee from the outset of the Placement. This includes expectations regarding allocation of tasks and provision of regular feedback.
- d) Supervisors must be aware of, and comply with:
  - a. all laws and legislation relating to vocational placements and employment, including but not limited to the *Fair Work Act 2009*; and
  - b. the legal requirements in relation to prolonged periods of unpaid work which, under certain circumstances, may be characterised as payable employment.

For further information on your obligations (including relevant Award provisions), please visit the Fair Work Ombudsman website or contact the Law Institute/Society in your state.

## REMUNERATION

- a) Supervisors may, but are **not** required to, remunerate Trainees for the duration of the Placement, in accordance with the 'Vocational Placement Exception' in the *Fair Work Act 2009*.

## SUPERVISION REQUIREMENTS

- a) Supervisors must ensure Trainees are supervised by a person who:
- a. has at least **three** years of post-admission experience practising law; and
  - b. is admitted to the legal profession; and
  - c. holds a current practising certificate; and
  - d. is currently practising law; and
  - e. is currently of good standing in the legal profession.
- b) Alternatively, a Supervisor may be a judge or magistrate of an Australian court, or member of an Australian tribunal.
- c) Upon request from Leo Cussen, Supervisors may be required to provide evidence of their qualifications, admission to practice, or practising certificate.
- d) Trainees must be provided with ongoing guidance and constructive feedback on their work.
- e) Supervisors may share supervision in conjunction with other staff who qualify as Placement Supervisors under these *Professional Placement Guidelines*.
- f) Supervisors are **not** permitted to supervise any more than **two** PLT students at any one time. This is to ensure Trainees receive a high quality of training and supervision.

## SUITABLE TASKS AND ACTIVITIES

- a) Supervisors must ensure Trainees receive appropriate legal or law-related work that allows the Trainee to apply, test and reflect on skills being learned during the PLT course. Appropriate legal or law-related work must include most or all of the following:

- significant interaction with external or in-house clients;
- drafting documents;
- legal research;
- using a file management system.

Please refer to the [Placement Task Checklist](#) for more guidance and examples of suitable tasks. The checklist is a useful guide to help identify placement activities, but its use is not compulsory.

Some other examples of suitable activities include, but are not limited to:

- attending interviews with clients and conducting interviews in minor matters
- reviewing documents, including contracts, court documents, agreements, wills etc.

- observation of, or involvement in, office procedures
- liaising with internal and/or external clients or stakeholders
- arranging, preparing for and attending settlements
- attending conferences, mediations, court hearings, or other dispute resolution forums
- drafting documents of a straightforward nature (eg Transfers, Probate Applications, simple Wills, Affidavits of Documents, etc)
- drafting letters and other correspondence
- conducting legal research and drafting memoranda of advice
- discussing issues with Placement Supervisor, eg after reading a file

b) Supervisors must:

- avoid or limit the allocation of administrative and/or non-legal tasks to the Trainee;
- ensure that, wherever possible, Trainees are allocated a variety of experiences and activities;
- provide, wherever possible, a constant flow of work to the Trainee; and
- provide Trainees with ongoing guidance and constructive feedback on their work.

Please refer to the [Placement Task Checklist](#) for more guidance and examples of suitable tasks.

## AT CONCLUSION OF PLACEMENT

Supervisors are asked to:

- conduct an 'exit interview' with the Trainee at the conclusion of the Placement to reflect on the experience and discuss overall feedback.
- complete a *Supervisor Feedback Form* and submit it to Leo Cussen by no later than the next business day after Placement completion.
- be aware that any arrangement to retain the Trainee beyond the Placement completion date will be a separate arrangement between the Placement organisation and the Trainee, and Leo Cussen would not be a party to any such arrangement. Your organisation would also be responsible for complying with any relevant employment laws/salary awards. If the completed placement was unpaid, you may now find it useful to refer to [Fair Work](#) and your [local legal practitioner regulatory authority](#) for guidance on appropriate remuneration (including the Legal Services Award) and the cost of employee practising certificates, respectively; and
- be aware that they must provide their own insurance for any subsequent arrangements made with the Trainee following completion of the Placement. Leo Cussen provides Professional Indemnity and Personal Accident insurance for the duration of the Placement period only.
